

AQUARIUS 7-DAY SOLAR FULL MOON RITUAL-2018

MEDITATION ◊ CONTEMPLATION ◊ DIAMOND SOUL PRACTICES

In Service of the Christ for the Full Flowering of the Soul of Humanity and the Plan

DAY SIX - SECOND DAY OF REGISTRATION AND DISTRIBUTION

Subtle expansions in consciousness during Full Moon times allow for changes in perception to 'see', 'sense' and experience new qualities, strengths and powers of the unfolding Soul. Subtle at first, as the energies continue to *distribute*, further gains are made as we give attention to "the new Mind of Christ". Let us remember that the true Mind of Christ refers to the triplicity of the Soul: higher Mind, higher Love and higher Will.

RITUAL PREPARATION: Opening Alignment and Meditation

◊ With a conscious breath of Life, let us enter into the peaceful Presence of the Soul. As the Soul, sound forth the sacred **WORD, OM**, loosening and discarding atoms of lower vibration within our personality field ... and environment, far and wide.

Through intensified "spiritual aspiration", we reach high into the Light of the Soul. Sounding the Sacred **WORD, OM**, we draw in atoms of higher vibration to flow through the subtle bodies ... and environment, near, far and wide.

◊ **Remembering "the Breath is the Life pouring through all the centers"**, let us breathe *in* conscious *Breaths of Life* ... Attuned with the Great Chain of Being, the energies of Aquarius flow through "the Heart of the Sun–The Son of Divine Love" and the great Mother of the World ... the planetary transmitters ..., our Earth ..., Shamballa, Hierarchy and the Christ ... Standing in this great down-flow, let us be aware of the **Great Breath of Life breathing you ... of that Life flowing through all the Centers ... and returning Whence it came as a great fountain of living energy.** ◊ OM

◊ We attune now, by welcoming, the Solar Angel and Angels of Aquarius governing the 11th petal of the "Heart in the Head Lotus" of the Crown Center. Pause. Let us consciously deepen our attunement with the Angels, allowing them to stimulate and/or make any needed 'energy adjustments' to our subtle bodies (centers or vehicles), in cooperative interplay. ◊ Sounding a silent OM, allow gratitude (great-fullness) to flow to the Angel(s) for their work and cooperation with us.

THE SOUL IS GROUP CONSCIOUS

the Soul Star Group... a Sphere of luminous Soul Light, Soul essence, Soul potency ... blessed by the living Presence of the Christ.

◇ Let us be mind-ful of the millions of meditators and Groups meditating during these Full Moon times, drawing in the higher energies of the Sign of Aquarius ... streaming through Mother Matter, lifting and redeeming, and preparing the Soul field in all the departments of human living for manifesting the purpose and potential of the Soul of Humanity for the outworking of the Plan of God.

◇ ***Let us Be*** affirmed in the Master's words of the "**joy of participation in the Masters' plans**" knowing that "**all is well that associates you closely with Them.**" (TWM, 368/9)

◇ Subtly, sensitively, we step deeper into the field of Aquarius, as conscious Souls, we move deeper into the prepared loving field of the Soul Star Group. ◇ In one simultaneous movement, we extend Soul Light ***One to All and All to One*** ... creating a living field of radiant Light and Love, in unified vibration. OM

◇ **Now as One**, let us come into closer resonance with the greater GROUP of Groups in whose Center stands the felt Presence of the Christ. We pause in the Presence of His holy Field ... absorbing emanating vibrations pouring forth from His Being.

◇ Pause, taking time now to feel into the living, pulsing, beating Heart of

– DAY SIX –
REGISTERING CONTACT and REFLECTION

In the group Light of Aquarius, we shall continue ‘listening for impressions’ and intuitions
“flowering TRUE SOUL Consciousness.”

"AQUARIUS IS THE "LIGHT THAT SHINES ON EARTH, ACROSS THE SEA. THIS IS THE LIGHT WHICH EVER SHINES WITHIN THE DARK AND CLEANSING WITH ITS HEALING RAYS THAT WHICH MUST BE PURIFIED UNTIL THE DARK HAS GONE". (EA, 330)

DAY 6 – DIAMOND SOUL PRACTICES

WATERS OF LIFE ~ WATERS OF LOVE

“In Aquarius, Christ put His disciples in touch with the "man, bearing a pitcher of water," Aquarius, and in the upper room introduced them to union and unity under the symbolism of the communion feast. For that feast, humanity is today preparing..." (EA, 167/8)

◇ The Love of God expressing through the Christ exemplified unity, true communion and brotherhood.

Let us now visualize “the upper room” wherein the Christ sits with His Disciples. *Place yourself there.* Feel the sacredness and potency of that atmosphere... the high purpose and quality of conversation – the deep care, sincerity of thought and feeling ... where time is not ... where the silent power of the *Soul speaks in sacred communion* – in ‘telepathic rapport’ born through Love, ... where words spoken reveal Truth, carrying the unalterable Love and Goodness of the Christ ... where the group Heart-Mind is suffused by the sacred atmosphere of *Love Divine*.

◇ In this holy communion field, what is *inspired* in you – *what fires play through you, as you participate in and witness* such a group encounter?

We are told that Christ works through every group dedicated to service and the distribution of Love for the manifestation of the Plan. (See EOH, 604)

◇ Let us recognize ourselves as a member of such a group, sensing its Light, Love and Will energy of the Christ flowing through the group and all its members *as the sacred fire that “changes everything”*.

◇ What do you sense the impact such a group can be and have on the world today – the healing effect, wholing, cleansing, purifying, uplifting, guiding, evolving ...

◇ How is your life affected through such a direct inflow?

◇ Consider with whom (what group(s)) you are currently communing ‘in like spirit’? Acknowledge the *good fortune* to be in such “communion service”.

◇ See or imagine a “Group of Groups” serving Humanity in the spirit of Aquarian Communion. Be inspired by this thought. What thoughts and awareness arise and come to Heart-Mind ... for the blessing of the world?

Sound the Sacred WORD, OM, sealing in the heightened vibration arising from our Day’s work.

⊙

Let us sound the **Affirmation of the Disciple** (below) whilst consciously immersed in the clarifying, cleansing, life-giving Waters of Love that are the “Waters of Life” of Aquarius.

– If using the pronoun “I”, let your identity Be the Soul Star Group. Or, use the pronoun We. We begin by holding in “mind” the energy of Aquarius flowing through the Group Soul and then through all ‘individualized Souls’.

THE AFFIRMATION OF THE DISCIPLE

"I" am a point of light within a greater Light.

"I" am a strand of loving energy within the stream of Love Divine.

"I" am a point of sacrificial Fire, focused within the fiery Will of God.

And thus "I" Stand.

"I" am a Way by which men may achieve.

"I" am a Source of Strength, enabling them to stand.

"I" am a beam of Light, shining upon their way.

And thus "I" Stand.

And Standing thus revolve,

And tread this Way the ways of men,

And know the Ways of God.

And thus "I" Stand.

~OM~

Sound the Sacred Word **OM** whilst standing in the radiant *Light of a new
Aquarian Day*

... Blessing the field within which we walk and serve.

(The Affirmation of the Disciple comes from "words and phrases ... so ancient that they antedate both Sanskrit and Senza. But the meaning is clear and that is the point of importance.")
