Haley & Michaels, Jim Brickman, Mat & Savanna Shaw Lyrics

"Peace, Joy, Love"

(feat. Ukrainian Chorus Dumka NY)

Peace peace peace
And joy joy joy
And love love love
Let's fill the world with
Peace peace peace
And joy joy joy
And love love love
Let's fill the world with love

Let there be light and let there be hope
Let there be dreams you never let go
Let there be laughter, let there be songs
Let there be loved ones singing along

Peace peace peace
And joy joy joy
And love love love
Let's fill the world with
Peace peace peace
And joy joy joy
And love love love
Let's fill the world with love

Let there be shoulders for all the tears
Let there be courage stronger than fear
Let there be wonder and hearts that will mend
Let us all come together again

Peace peace peace
And joy joy joy
And love love love
Let's fill the world with
Peace peace peace
And joy joy joy
And love love love
Let's fill the world with love

And harmony and all the things we need
To make the world go round
Oh how sweet the sound of

Peace peace peace
And joy joy joy
And love love love
Let's fill the world with
Peace peace peace
And joy joy joy
And love love love
Let's fill the world with love

Peace peace peace
And joy joy joy
And love love love
Let's fill the world with
Peace peace peace
And joy joy joy
And love love love
Let's fill the world with love
