THIRD DAY OF REGISTRATION AND DISTRIBUTION

On this final day of *conscious reception and distribution* of Pisces FM energy, subtle expansions in consciousness continue, expanding more fully into a larger field awareness of Humanity, Hierarchy and Shambhala. Spiritual perception flowers as 'soul sense ascendancy' takes hold. Our brains are physically sculpted as we make contact with higher Light, distributing through our subtle energy bodies. Let us give attention to what may be moving and unfolding as these higher energies "demonstrate" through us. Let us **remember that we are reaching for our higher triune nature of the One Self.**

Let us also remember that as we *apply and extend the energies contacted, we are serving as agents of the Saving Force in conformity with 'new modes of living and saving'.*

SIMPLE OPENING RITUAL ALIGNMENT

Sounding the sacred word OM, a bell tone can be heard sounding ...

We enter Sacred Time – no past, no future, only NOW

Entering Sacred Space – Soul Space

We bring a Light into the mind ... rendered new by the Light of the Soul

We welcome the Angels of the Higher Spheres ...

Opening deeper into the world of the Soul, We identify as the Triune Soul

We link with the spiritual Hierarchy, and Extend waves of Love and Light into the world
Blessing all the Kingdoms of nature

OM

FULL ✕ MEDITATION

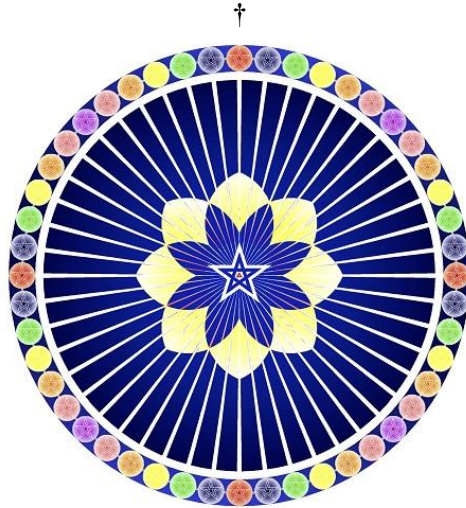

◇ Remembering “the Breath is the Life pouring through all the centers”, we step into the peaceful Presence of the Soul ... and the wider Soul field, sounding the sacred Word, OM.

With intensified “spiritual aspiration”, we reach high into the Light of the Soul, breathing in atoms of higher vibration, silently sounding the Sacred WORD, OM, ... lifting the subtle bodies and our environment, near, far and wide.

◇ Remembering “the Breath is the Life pouring through all the centers”, we stand in the *Glory and Beauty of the Cosmos* as the energy of Pisces pours through “the Heart of the Sun” ... received by the Lord of the World – Sanat Kumara and the great Mother of the World ... consciously alive through us. Let us move into *That space* ... the **Great Breath Breathing Us** – *giving Life more abundant ... luminous Light ... Universal Love pouring through the Heart of God ... to and through Humanity – to us through the Chalice of the Crown.* OM

◇ We attune with and welcome the Solar Angel and Angel of Pisces governing the 12th petal of the “Heart in the Crown Lotus”. Pause. We consciously deepen our attunement, allowing for Their superior Intelligence to make needed ‘energy adjustments’ heightening all our Centers. OM

THE SOUL IS GROUP CONSCIOUS

◇ **In the sacred field of Pisces, let us expand our awareness, into the loving, lighted field of the Soul Star Group.** ◇ In one group movement, we extend Soul Light — *One to All and All to One* ... demonstrating a living radiant field of unified Light and Love and group vibration. OM

◇ **As One Group Soul,** let now come into resonance with the **greater “GROUP of Groups”** – the Spiritual Hierarchy in whose Center stands **the Christ.** Let us **pause in the Auric Presence of His holy Field ... absorbing emanations of vibration pouring from His Being. Let us *Be With Him.***

◇ Through these inclusive, unifying group alignments, with the inner eye of the Soul, energy lines and waves of light can be seen linking Soul Groups across the Globe — **vibrating in resonance** with the **Greater GROUP** of Groups in which we participate. **Let us feel the embrace of the Christ Field surrounding and pervading all.**

◇ Let us pause in the strength, beauty and *living Presence* of the great synthetic energy field that is **“the great Potency of the Inner Groups”.** OM

◇ And “Turning back, we save”. From our inward focus, we **turn now to face the world, to extend the living blessings of the Saving Force to humanity and a world in need ~ whilst sounding the Great Invocation.**

Pisces energy distributes the energy of Ray Two—Love-Wisdom and Ray Six—high Devotion and Idealism, and the Saving Force, through the solar system, to Earth and to us. During Pisces, we are learning to embody and extend these energies. Let us see the impact of the “Light of Life – forever ending the darkness of matter” flowing into the larger soul Field of Humanity and our own lives. Let us continue ‘listening for impression’ as pure intuition “drops into a Mind made whole” through identification with the “*flower of True-Soul Consciousness.*” OM

PISCES –THE GREAT SIGN OF CONSUMMATION

“This is the light revealing the Light of Life itself. It forever ends the darkness of matter.”

"In this sign, the work is consummated and **the will of the Father works out through the Second Ray as the will-to-save.**" The Word of the Soul in Pisces is: "I Leave the Father's Home, and Turning Back, I Save." "The Soul emerges at the end of the Path in Pisces as a world Victor and a world Savior." (EA, 21)

Pisces, when in **union** with its opposite, Virgo, brings all to consummation. "Virgo nurtures the life of that second ray phenomenon, a Christ, the consummation of the task of matter and its elevation into heaven." (EA, 627) "The form **reveals and releases** the indwelling soul. The Savior of the world appears and nurtures the hidden souls in Virgo". (EA, 339)

In this consummation, "Christ is Victorious". Every Soul is a Christ having achieved mastery and victory over the darkness of matter. Soul, Consciousness and Christ are synonymous terms.

THE SAVING FORCE OF THE SWORD OF CHRIST

"When He came before, He said: **"I COME NOT TO BRING PEACE BUT A SWORD"** (Matt. X.34) (and the words have been sadly misread [*misinterpreted*]).

"This will be true especially during the early days of His advent. The sword which He wields is **the sword of the Spirit**; it is **that sword which produces cleavage between a true spirituality and an habitual materialism.**" CONTEMPLATE

"The major effect of His appearance will surely be to demonstrate in every land the effects of a spirit of inclusiveness – an inclusiveness which will be channeled or expressed through Him. ... The cleaving sword of the spirit will – without wounding – bring revelation and indicate the first needed step towards human regeneration." (ROC, 110) CONTEMPLATE

"Rightly has it been said that one should defend Truth and fight evil." (FW-III, 317) The Sword of Spirit unites with Love – the Dove of the Holy Spirit, and "Truth" ~ that clears the way of impeding conditions to Humanity's flowering.

When the above truths permeate the consciousness of humanity, and are *lived*, the spirit of inclusiveness and Expectancy for "the Good" will cause a new rising in the world of Humanity. ♦ REFLECT – **and Give energy to the "Sword of Spirit" doing its work.**

♦ *Let us now Imagine the Saving Force flowing round the World making all things "right" ~ to bring fruition to the divine pattern of "the Good, the True and the Beautiful." As We, the daughters and sons of God, come into our Divine Heritage, we set the stage for birthing a new Humanity and a new Earth.*

CONTEMPLATIVE DIAMOND SOUL PRACTICE

“Standing as the focal point of the inner Triangle—of the Buddha, of the Spirit of Peace and of the Avatar of Synthesis—the consequent outpouring potency of the Christ will be so great that the distinction between love and hate, between aggression and freedom, and between greed and sharing will be made lucidly clear to the eyes and minds of all ... and, therefore, the distinction between good and evil will be made equally clear.

The invocative prayer, "From the point of love within the heart of God, let love stream forth into the hearts of men" will meet with fulfilment. Christ will let loose into the world of men the potency and the distinctive energy of intuitive love [all inclusive, all pervading LOVE]. The results of the distribution of this energy of love will be twofold:

1. Countless men and women in every land will form themselves into groups for the promotion of goodwill and for the production of right human relations. So great will be their numbers that from being a small and relatively unimportant minority, **they will be the largest and the most influential force in the world. Through them, the New Group of World Servers will be able to work successfully.**
2. **This active energy of loving understanding will mobilize a tremendous reaction against the potency of hate. To hate, to be separate, and to be exclusive will come to be regarded as the only sin,** for it will be recognized that all the sins—as listed and now regarded as wrong—only stem from hate or from its product, the anti-social [*separative*] consciousness. **Hate and its dependent consequences are the true sin against the Holy Ghost [the Holy Substance of the third aspect of Divinity ... (ROC 111/12)**

CONTEMPLATE: Separation, fear and hate are a failure to recognize innate Divinity in oneself – the Source of Being, thence in others. There is but one true antidote to hate ~ and it is found in the Heart of the Sun. Therefore, **Let us Be Love, and understand.**

As the “inner Christ” is nurtured (*Virgo*), the veils of separation will fall. As “intuitive Love” pervades the world, we shall “have” new life experiences for all.

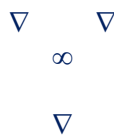

In the wave of the “Will-to-Save”, the planetary CHRIST received and released “THE POTENCY AND DISTINCTIVE ENERGY OF INTUITIVE LOVE.” To all who would receive its pervading powers to free the prisoners of the planet from fear and separation, qualify all human relations to Love All, and reveal the Light of Life ending the darkness of matter – we stand free. This was the Gift wave of the Christ, then and now, To Save.

◇ Let us invoke “the distinctive energy of Intuitive Love.”

May it wash through the Soul Star Group and all of us here and now.

‘Standing In’ the “Will-to-Save” – affirm Humanity emerging victorious for a new Earth.

As we hold the Heart-Mind steady in the consummating Light of Pisces, daily affirm ~

“CHRIST IS VICTORIOUS”
~ In me ~ In Humanity

◇ In the revelation of all these Days, recognize new inspiration flowing through us now.
